N/A, Parsonsburg, MD

This listing is for 1 of 3 parcels for a total of 149.47 acres. This parcel of The Riley-Quinton farm spans 149.47 acres zoned A-1 Agricultural in Wicomico County. There are approximately 20 tillable acres and remainder is wooded. There are currently no structures on the properties. The tillable acreage is under a verbal agreement and ownership receives a timber report every year. The extensive and efficient drainage system limits overly watered soils for strong crop growth. The acreage fronts on Bob Smith Rd in Parsonsburg, about half way between Route 50 and the DE state line in Wicomico County. There are no conservation easements or restrictions in place providing a new owner with total flexibility. The timber is approximately 30 years old with a maintenance program in place. With significant deer sign, this property presents an amazing opportunity for both hunters and farmers. Current owners have worked with Maryland Agricultural Land Preservation Foundation (MALPF) and had an offer to place the property in preservation that the next owner could choose to engage.
